There were a few challenges when creating this list for certain age group classes due to the number of qualified athletes. To determine ranking order, the National Championships were used as priority and then Provincial results. The 17-24 men class is an example of this, where the top 16 is composed of the N1-8 16-year olds moving into the age class and the N1-8 17-24 year olds remaining in the class; any athlete with just a Provincial result (top 2) then falls outside the top 16. Note: Several of the qualified 16 year olds will be moving to the Junior class which will then open available positions.

A reminder that selection is open to any athlete possessing a Canadian passport at the time of nomination, an international UCI racing license and who is a member in good standing with CC, their respective Provincial /Territorial Sport Organization, the Union Cycliste International, (UCI) and the Canadian Centre for Ethics in Sport (CCES)

Brian Mansell will once again be leading the Challenge team, please contact him or visit his Facebook page for more information.

Il y a eu quelques défis lors de la création de cette liste pour certaines classes d'âge en raison du nombre d'athlètes qualifiés. Pour déterminer l'ordre du classement, les championnats nationaux ont été utilisés comme priorité, puis les résultats provinciaux. La classe des 17-24 ans est un exemple de cela, où les 16 premiers se composent des N1-8 16 ans qui se déplacent dans la classe d'âge et les N1-8 17-24 ans restant dans la classe; Tout athlète ayant juste un résultat provincial (2 premiers) tombe alors en dehors du top 16. Remarque: Plusieurs des 16 ans qualifiés se déplaceront à la classe junior qui ouvrira alors les postes disponibles.

La sélection est ouverte à tous les athlètes qui détiennent un passeport canadien en vigueur à la date de nomination, une licence internationale de course de l'UCI, et qui sont membres en règle de CC, de leur association provinciale ou territoriale respective, de l'Union cycliste internationale (UCI), et en règle avec le Centre canadien pour l'éthique dans le sport (CCES).

Brian Mansell sera de nouveau à la tête de l'équipe du Challenge, s'il vous plaît contactez-le ou visitez sa page Facebook pour plus d'informations.
